## National Delegate Conference, 20-23 June 2017, Brighton Centre

This year's big conference, for all UNISON branches will take place in June and since it's in Brighton this year, it's really easy to get to.

Conference is the highest body of UNISON, where policies and priorities for the year ahead are determined. There are also guest speakers and fringe events.

Branch delegates will be determined by the Branch Committee, but we can have as many visitors as we like, so as long as you're a fully-paid up member, you have the right to come along for any time between an hour and four full days.

Please let us know you if you're interested.
